

3RD COGNITIVE MOBILITY INTERNATIONAL CONFERENCE SPONSOR AND EXHIBITOR INFORMATION

Our aim is to give opportunity at the conference to all companies that operate in the cognitive mobility domain. We would like this conference to really provide a broad introduction, with the participation of as many professional actors as possible, who would choose the most suitable form to introduce themselves.

At the conference, we provide the opportunity for companies to choose from several types of presentation options: online and/ or traditional brochure-based presentation, on-site participation with an exhibition stand, a professional presentation or even a poster.

Appearance options could be for example:

- event support at the conference (coffee break, dinner, etc.)
- organization of customer meetings (by separate agreement)
- presenting a demo
- offering a roundtable
- exhibition table (stand)
- brochure flyer distribution
- promo tool distribution
- roll-up placement

Participation packages are prepared to ease the choice. If it does not match your wish, contact the organizers to find the most suitable solution for your company.

If you are interested, please get in touch with us at the conference@cogmob.hu e-mail address.
